

RED OAK CAPITAL FUND VI, LLC

CONFIDENTIAL

Red Oak Capital Holdings (the “Company” or “ROCH”) manages a vertically integrated, small-balance credit solutions strategy that targets short-duration (12 - 36 months) commercial mortgage assets that are senior secured, in the first lien position and fully collateralized by high-quality, income-producing properties.

MARKET

The small-balance bridge lending industry presents a significant opportunity due to the market's high fragmentation and operating inefficiencies.

Small Loan Balances + Highly Inefficient + Regional Fragmentation = Opportunity

MARKET DEMAND FOR PRIVATE CAPITAL

Banking regulations and a changing market have limited borrower access to traditional sources of capital.
